

Killay Community Council September 2024 - Reports previously circulated

APPENDIX 1

City Cllr Mary Jones September 2024

Update on Dunvant Road from Coal Authority to the Council

We have now received costs from the contractor to carry out the work. Due to the value of the work this has to go through our due diligence process.

I called to site last week and spoke with some of the residents to explain there will now be a delay while this process is carried out.

The contractor has provided a lead time of approximately 4-6 weeks to mobilise from the time that the order is placed with them.

The likelihood is that the work will start early January as the residents that I spoke with agreed that they would not want the work to start just before Christmas and then the contractor leave site for their 2 week Christmas break.

I will update you when I have further information regarding the engagement of the contractor after our processes have been completed.

If we are in a position to allow the contractor to start the work in November then I will suggest that the work starts prior to Christmas.

Appendix 2

Cllr. Louise Gibbard: Killay Community Council Report September 24

Summer Stationery Campaign

- Over the summer I supported Tonia Antoniazzi MP's stationery campaign whereby items were collected in libraries across the constituency and donated to families as a bit of an extra help. Tonia gave me a box of items to distribute locally and I dropped some kits off to all three schools in Dunvant and Killay

Cwtch Mawr Referrals

I am now signed up as a 'referrer' for Cwtch Mawr multi-bank. If you know of anyone in the community is struggling with cost of living concerns and needs household items and some clothing I can make a referral to Cwtch Mawr and collect on their behalf. An inventory of stock is issued weekly and the items can vary, this week's inventory including air fryers, coats, shoes, baby baths, washing up liquid, toothpaste and much much more. These are all brand new items which are surplus to Amazon and other stores. Cwtch Mawr is a partnership between Swansea Council and Faith in Families.

- KCC should now be able to sign up as a referred in your own right if you wish to look at this again.

Dunvant Road Sinkhole

Latest update from Coal Authority Project Manager: We have now received costs from the contractor to carry out the work. Due to the value of the work this has to go through our due diligence process. I called to site last week and spoke with some of the residents to explain there will now be a delay while this process is carried out. The contractor has provided a lead time of approximately 4-6 weeks to mobilise from the time that the order is placed with them. The likelihood is that the work will start early January as the residents that I spoke with agreed that they would not want the work to start just before Christmas and then the contractor leave site for their 2 week Christmas break. I will update you when I have further information regarding the engagement of the contractor after our processes have been completed. If we are in a position to allow the contractor to start the work in November then I will suggest that the work starts prior to Christmas.

Martin Parry Project Manager

Utility Boxes

- As previously reported, I'm working with Fresh Creative to spray utility boxes around the ward. Local artist Alisha is developing the plans plus pupils at Dunvant, Hendrefoilan and Pen Y Fro Primary Schools are designing one each.
- Will bring pictures of initial designs to meeting to share Ty Cilâ Autumn Fete

Ty Cila Autumn Fayre

- Ty Cila are holding an autumn fete and afternoon tea on 25th September from 12 with refreshments, raffle, stalls and games. All welcome

Dunvant Primary School Governing Body

Attended AGM on 24/9 there is another community governor vacancy if KCC would be able to help advertise to the wider community. That would be very helpful. Will send a poster to the Clerk.

Local Activities attended (in Killay or open to Killay residents):

- Friday 30th August Community Cinema & Chat Dunvant Social Centre "Summer Holiday"
- Final Family Breakfast Club at Dunvant Social Centre
- Councillor Surgery Dunvant Social Centre Saturday 7th September 10-11am

Upcoming Activities (in Killay or open to Killay Residents):

- Community Cinema & Chat at Dunvant Social Centre Friday 27th September "Golden Years"
- Kinds Club at Dunvant Social Centre Sunday 29th September "Super Mario"
- Councillor Surgery Saturday 5th October Killay Library 10-11 am
