12/6/2022	KI114/KI113	footpath	The entrance of KI114 at the junction with KI113 is still obstructed though undergrowth has been cleared. I will report to the Countryside Access Team	 <p>The photo shows a dirt path leading to a large, fallen tree trunk that completely blocks the way forward. The surrounding area is overgrown with green foliage.</p>
12/06/2022	KI115	Footpath	Heading from Hendrefoilan Road the footpath veers to the left. Along this part of the path there are two obstructions caused by fallen trees. I will report to the Countryside Access team	 <p>The top photo shows a path with a large fallen tree trunk across it. The bottom photo shows a similar path with another fallen tree. The map below shows the path KI115 in a residential area.</p>
12/06/2022	KI102	footpath	Footpath clear and well sign posted.	 <p>The map shows a clear path KI102 through a residential area with buildings and green spaces.</p>
