

## Public Rights of Way Report

November 15<sup>th</sup>, 2023

KI 103 (access Clyne Valley path opposite Garrod Avenue)

The Countryside Access Team agreed in August 2023 to put signage on this path but as yet, this has not been placed. The entrance to the path through a gate was impassable due to the huge puddle of water across the path. The PRow committee will ask City Councillors for an update in January 2024.
